Do you currently reside in Sandpoint city limits? *
 Yes
 No

Please note that not all "Sandpoint" addresses are within city limits.

How long have you resided in Sandpoint? * 37 years

Applicable employment / education / volunteer history and reasons you wish to serve *

Greetings,
I was recommended by Kirk Sehlmeier, who previously served on the tree committee as an NRCS Forester. I have worked closely with Mr. Sehlmeier over the past 9 years in natural resource management. My degree is in Landscape Architecture and I am very familiar with tree species and landscape design. I have also been helping instruct the Stormwater Erosion Education Program(SEEP) for many years. I am currently employed with the Lakes Commission, an advisory board to the State of Idaho on water quality and quantity.

Thank you for considering my application.

Best,
Molly McCahon
