

# MEMO

To: Sandpoint City Council  
FROM: Mayor Shelby Rognstad  
DATE: November 6, 2019  
SUBJECT: Committee/Board Appointments

I am pleased to announce that I am reappointing Sharon Lewis, Eileen Atkisson, and Gail Lyster to serve new terms on the Tree Committee.

Both Gail and Eileen have served on the committee since 2005. Their new terms will continue through August 31, 2022. Sharon Lewis joined the committee in 2010, and she will continue through March 31, 2022.

Each has contributed a great deal to our community by committing their time, interest and experience to help preserve, protect and manage Sandpoint's Community Forest, and I am grateful for their service.

I am also appointing Andrea Marcoccio to the Urban Renewal Board. She is the current director of the Bonner County Economic Development Corporation and, as such, brings a wealth of knowledge related to economic development that will serve our community well. Her term begins immediately through November 30, 2022. I appreciate her willingness to share her experience and expertise.

I hope you will join me in thanking Sharon, Eileen, Gail, and Andrea for their willingness to volunteer to serve in this capacity and would appreciate your confirmation of their appointments.
