** City Council Chambers and City facilities were reopened to the public for meetings beginning in Stage 3 of Governor Little's Idaho Rebounds Plan. Social distancing measures will be followed, and seating is placed at 6-foot separation, therefore limiting capacity. At present, in-person seating is available on a first-come, first-served basis until reduced capacity is reached. If you wish to address the Commission in person, you will be afforded the opportunity. Any individuals who may not be able to be seated will be given the opportunity to present from the podium and allowed entrance to Chambers during the time of their presentation. However, please note that, due to COVID-19, the City of Sandpoint reserves the right to limit or restrict in-person participation should conditions warrant and it is determined that an in-person meeting is not prudent. Please watch the City website and City Facebook page, as any changes in this regard will be posted there.*
