

Esteemed Council,

Please support my nomination of Mose Dunkel to the Sandpoint Parks and Recreation Commission. Mose has five boys who are involved in youth activities in Sandpoint. He has a long history of volunteering in youth sports including little league baseball coaching, Sandpoint Soccer Association coaching and Sandpoint Junior Tackle Football coaching. Mose has also tutored youth through the Bonner County Library and has engaged in other community building volunteer projects. Mose is a family man who cares about youth and our community. Please support his nomination to Sandpoint Parks and Rec Commission.

Thank you,
