SANDRA DEUTCHMAN LETTER

Sandra is sending her proposal for a U of I art gallery to City Council but is first asking for SAC support. After Commission members discussed the proposal it was decided that SAC would forward the following recommendation to City Council, “SAC will be available to assist and support an art proposal to the campus addition, however will not act as the facilitator or respond as the benefactor to/for such an endeavor.” SAC recommends that the Council adopt a resolution in support of the art gallery on the campus. Krister moved to approve the recommendation; Karen seconded the motion.

MURAL APPLICATION

Commission members reviewed current mural application procedures and discussed possible revisions. Steve thought that #3 was too restrictive. Currently, nothing in the building or sign codes requires historic mural restoration. On that matter Joan volunteered to draft new verbiage on how murals preserve the historic nature buildings and will bring suggestions to the next meeting. Joan also advised holding a joint committee meeting with the DSBA Design Committee, the Historic Commission, and SAC on how to protect the historical aspects of buildings. The Commission supported this idea. Steve recommended that Joan work with P&Z Director Jeremy Grimm to devise an early mural alert on permits for new construction and businesses in City limits. Joan will give the Commission an update at the next meeting. Once revised, the SAC will distribute mural applications to sign companies and local mural artist. Commission members will continue to review Mural Application for further discussion.

ART TOWN LOGO

After reviewing the logos the design concept with the shadow was chosen. Kami suggested taking it to a graphic designer. She will look into different graphic designers. Kathleen said she had a good contact and will work on this as well.

PROJECT UPDATES

Krister announced that Tom Whalen with Fish & Game would attend the next meeting and give updates on possible funding contributions towards art for the new walking bridge on Bridge Street. The Commission was informed that the Rotary and Community Assistance League might also want to participate. Stephen suggested that perhaps all three organizations could fund art for both the center and the ends of the bridge.

NEXT MEETING The next regular meeting will take place on Tuesday, November 13, 2007 in the City Hall Council Chambers at 4 pm.

ADJOURNED Stephen Schultz adjourned the meeting @ 5:30
